Re: Special Collections 2021, 2022

Dear Monsignors and Fathers:

Attached are the dates for special collections for the calendar years 2021 and 2022.

Please note that, with the changes in Globe (now The Lumen) subscription policy in 2019, the majority of our Catholic households are now not receiving the diocesan newspaper. ***It is necessary that additional efforts be made to remind all our parishioners of important information and dates, including upcoming collections, so that they may choose to participate.*** Every effort will be made at the diocesan level to employ social media to disseminate collection information, and to offer through General Mail bulletin summaries of Bishop Nickless's support for each collection that may easily be copied and used by parishes. In general, our parishioners also desire to know that you, their pastors, support these collections. ***Do please at least mention the upcoming collections in your announcements.***

As always, please be sure to share these dates with those in your parishes who are responsible for ordering envelopes for 2022.

May this year of grace 2021 bring renewed peace and joy in your devotion and ministry for our Lord Jesus Christ, especially after our many unexpected travails last year. With my continued prayers for each of you, I am,

Most sincerely yours in Christ,

Dcn. David A. Lopez, Ph.D.
Chancellor
