

Church Mutual Nurse Hotline (844) 322-4662

Available for non-life-threatening injuries, 24 hours a day, 7 days a week.
If an injury is serious or life-threatening, call 911 immediately.

Here's how it works:

Step one: Make the call at the time of injury

- Immediately report the injury to your manager and he or she will make the call.
- If your manager is not available, then you make the call.
- The nurse will retrieve pertinent facts about the injury.

Step two: The nurse recommendation

- The nurse will provide guidance on injury treatment, either through first aid, the emergency room or a medical clinic.
- A summary of the call, including treatment instructions, will be provided along with the opportunity to ask questions or express concerns.

Step three: Debrief with manager, if present

- The nurse will summarize the call, the treatment recommendation and the level of urgency.

Step four: Timely record distribution

- If an outside referral is made, information will be transferred to the medical provider.
- The nurse will submit call information to Church Mutual, which will establish a formal claim only when outside care is administered.
