

BISHOP'S DINNER FOR CATHOLIC SCHOOLS

YOUR SUPPORT OF BISHOP'S DINNER PROVIDES FUNDS FOR INSTRUCTIONAL GRANTS FOR OUR SCHOOLS. LAST YEAR, SCHOOLS RECEIVED OVER \$95,000 IN GRANT DOLLARS.

City/School System	# of Students	Instruction Grant	Ticket Sales	Total	Instructional Grant \$ spent on
Algona/Bishop Garrigan	518	\$8,225.00	\$480.00	\$8,705.00	We used this money to purchase 40 Chromebooks for high school students.
Alton/Spalding Catholic Schools	57	\$904.00	\$800.00	\$1,704.00	We purchased for 4 smartboards with mounts and 45 license renewals for ST Math student subscriptions software.
Boone/Sacred Heart	153	\$2,429.00		\$2,429.00	We purchased Loyola Press Voyages in English grammar practice workbooks for several grades this year
Carroll/Kuemper Catholic System	1,153	\$18,307.00	\$1,120.00	\$19,427.00	\$14,587 was spent for 18-19 STAR Assessments for K-12 students in the areas of early literacy, reading and math. More than \$5,000 was spent on K-5 religion books entitled "We Believe with Project Disciple."
Danbury/Danbury Catholic	63	\$1,000.00	\$160.00	\$1,160.00	We purchased a computer, iPad, and external CD drives for a PC and for a Mac to be shared in K-2.
Denison/St. Rose of Lima	104	\$1,651.00	\$720.00	\$2,371.00	We purchased two new laptops for our lead teachers. In addition, an upgraded Microsoft program and security was included in the package. This purchase will allow our teachers to assist their colleagues with implementation of technology strategies we are learning about from AEA trainings. One of our goals at St. Rose is to allow students the opportunity to learn 21st skills through integration of technology. Our teachers need upgraded devices to provide this environment for their students and collaborative partnership with other staff.
Emmetsburg/Emmetsburg Catholic	116	\$1,842.00	\$80.00	\$1,922.00	Scholastic is used for science and reading for upper grades, lower grades use the news. Pflaum Gospel Weeklies are used for our religion classes. By using these we are able to keep current all the time.
Fort Dodge/St. Edmond System	658	\$10,448.00	\$1,600.00	\$12,048.00	We purchased Reading Textbooks for Grades 1 – 3.
Humboldt/St. Mary	180	\$2,858.00	\$400.00	\$3,258.00	We purchased iPads for PreK and the STEM lab; we purchased an online subscription for computer coding for students in classrooms.
Le Mars/Gehlen Catholic System	531	\$8,432.00	\$2,560.00	\$10,992.00	We purchased 15 new laptops/desktops, replaced computers for projectors, teacher laptops/desktops, in the computer lab, etc.
Pocahontas/Pocahontas Catholic	92	\$1,461.00	\$160.00	\$1,621.00	We purchased a new Math series entitled GO MATH. We invested a total of \$12,455.45 for the entire pack of materials for K-5.
Remsen/St. Catherine/St. Mary System	221	\$3,508.00	\$640.00	\$4,148.00	RSM purchased the licenses for computer-based resources for K-12 MTSS program and STAR testing that evaluates student progress and provides guidance for teachers in adjusting students' curriculum.
Sheldon/St. Patrick	71	\$1,127.00	\$160.00	\$1,287.00	We used these dollars to purchase two new projectors to go with the smartboards.
Sioux City/BCHS System	1,585	\$25,168.00	\$6,160.00	\$31,328.00	Additional technology devices were purchased to provide support to our students. Guided reading books were purchased to expand our existing resources.
Spencer/Sacred Heart	201	\$3,191.00	\$640.00	\$3,831.00	The majority of the grant money was used for online either assessments, or online enrichment activities subscriptions. Each year we have to renew many different licenses to utilize certain websites for our students, examples: IXL Math, FAST Bridge Assessments (Math and Reading), STAR testing (Reading & Math). I also used this grant money to renew our SMARTBOARD subscription for all grades PreK-6th. That is so all students get to have access to a working SMARTBOARD in their classroom.
Storm Lake/St. Mary System	299	\$4,748.00	\$1,760.00	\$6,508.00	We purchased High School Math books and Elementary Reading books.
Totals:	6,002	\$95,299.00	\$17,440.00	\$112,739.00
